From smooth tarmac to gritty gravel pits, Hyde Park boasts a great variety of road texture to the cyclist. Craving a thrill? Swerve into oncoming traffic to avoid potholes and idling cars on Woodlawn from 55th to 59th. Looking for a smooth ride north-south? Consider Blackstone and Harper north of 55th or Dorchester south of 55th. What about crosstown? Steer clear of 56th or 57th.
